THE CHANGE THAT COUNTS

The change that counts is a results oriented change-
one which strives to prove to God; not to man, that it
is really contrite.

As of the look of things; the shape of your wallet, the
weight of your shame-it is true, all reality; but Jesus
carried for you and me, the heavier weight-DEATH!
And by death, I mean eternal Death-Hallelujah!

Thanks be to God

For all the Ups and downs that filled the year 2025, we thank God.

Many times Life shows us the bad things and hides the good things around us. We are so much surrounded by good things that if only we could embrace them, our lips will then be filled with thanksgiving. Happy New Year!

Through Journals like this one, we hope to make such wisdom accessible

amidst the noise of the social media immoral content-infested world desired by the current generation.

I and my family will always Serve God.

Looking back in the year 2025, many challenges occurred, but by the Grace of God, we are here. Not by might, not by our craftiness, but by the grace of God.

This year as MELACH

COMMUNITY CHURCH, our theme is, "THE YEAR OF DRAWING CLOSER TO GOD". And by the Grace of God we hope to be driven by that throughout our Escapades and expeditions.

FAMILY CORNER

THIS YEAR, THE YEAR OF DRAWING CLOSER TO GOD.

As families we need to ensure unity, co-operation and be listeners-desiring to find out why our brethren do things the way they do them.

Judgement should be last and the end view of our Judgement as a family should be to attain the Christ-like Justice.

Forgiveness is key in a family that desires to grow and further still to any one who does not heed to the forgiveness call, he/she is responsible for the fall of

that particular family.

Some people keep hurting others without remorse, such people can be avoided and the gap created can cause them to notice the value of brotherhood, but the avoidance is the last resort.

As a christian-based family,

Obedience to the word of God is our priority. Every family member is valuable no one is too good and no one is useless, if we gauge it should not be with evil intentions but rather appreciation and motivation.

I think all members are very important in one way or the other-when you learn that, you then can accommodate all of us!

Fights in our family should be read about not experienced.

A family, as I usually tell, is the basic unit of the church which is the body of christ.

AKWI LYNOR-YOUNG PREACHER *melach*

Greetings,

I beseech you brethren by the mercies of God to offer yourselves as living sacrifices to God. Never Lose hope, trust God in everything, move according to God's Direction.

This is a new year, a new beginning-God has better

plans for you and me.

To all those in School, the fear of the Lord is the beginning of wisdom.

Provision, protection and healing I pray for you in Jesus' Name.

This is the year of Drawing Closer to God; work on that!

Yalama Noi.

PASTOR RICH W BLESSINGS

The kingly Anointing;

There is nothing as beautiful as when you a child of God gets understanding of what he/she received when they accepted Christ, ooh what a great inheritance we have in Christ, time would never allow me

even touch a quarter of it. In Revelation 5:6, the Bible says, " He has made us Kings and Priests unto His Father.." Peter let's us know the kind of call we received in Christ "But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light." 1

one in, anyone born of God is born into royalty, he doesn't pray to be royal, he is born royal. When Jesus was born in a manger, the three wise men came looking for Him with gifts and all kinds of gifts. The Bible says that when they saw the Baby Jesus in a manger (Mathew 2:10-11), they fell on their knees and worshipped Him. Think about it wisest men of the east, these were successful men in their endeavor, like Job, the Bible says he was one of the greatest men from the east, where Jesus was born didn't change His lineage, status or who He was. You may be feeling like where you are seems nothing like kingly but your feelings and what you see with your optical eyes doesn't change the Truth of the word of God concerning you child of God, You are ROYALTY.

When you want to understand kings, you have to study the lifestyle of kings, because upon is an unction of kingship and you are a representative of a kingdom here on earth, and God counts on you to deliver royal responsibilities here. Ecclesiastes 8:4 says, "Where the word of a king is, there is power: and who may say unto him, What does thou?". One of the few things you will learn from royals is how they carry themselves in and out publicly and in private, how they speak, and their culture. When the Queen of Sheba came from Africa to go see Solomon, she was left breathless by what she saw and heard, and when she wondered about all the majestic view from servants, vessels, eating, she asked King Solomon how this is possible, Solomon answered her this is my culture. This Kingdom we represent has a culture, and it's normal to be successful, victorious, overcomers, and joyful. Secondly, you must understand every word that comes out of your mouth carries authority & power, that's why we don't talk just anyhow, mature children of God are never influenced to speak by what they see or hear. Never will you hear them say they are defeated, weak, or can't do. KINGS DON'T SPEAK BEGGING LANGUAGE. Where the word of a king is, there is power. Whatever he says, it is carried out.

"When you want to understand kings, you have to study the lifestyle of kings, because upon is an unction of kingship and you are a representative of a kingdom here on earth, and God counts on you to deliver royal responsibilities here"

Brethren, you are not an ordinary person. You are in the cosmos, but you are not of the masses. On earth but not of the earth, so don't act, think, or do things like masses. You are royalty, special, called to bring praise to the king of kings, even our Father. May go forth and bring our Father praise by demonstrating the divine authority delighted to you in Christ Jesus.

REFLECTION WITH THE REVEREND

This year,

A new year, but with the same lifestyle of last year, this year will be no difference.

Financial discipline is paramount this year, spend lesser than what you earn.

If you find your self spending above what you earn, you are finished

Greetings from GOSPEL OF TRUTH TO ALL NATIONS MINISTRIES IN-

TERNATIONAL

Financial frustration and slow growth leans greatly on our Financial discipline.

Analyzing what we purchase and why we do so, do we need the commodity or we are just excited?

This year should see us changed and focused on growth and expansion.

A mind that grows is a mind that plans, and fi-

nancial planning is key.

Band-wagon effect, because so and so has bought this, therefore I need it too. That business should stop. 2026

BE YOU!
